Foreword

Luxzen Jsc would like to send our customers the respectful greetings, cooperation and security, good health and prosperity.

Luxzen has many years of experience in the field of interior design and construction. We invest in deep focus to research, build intelligent solutions, improve design capacity and create innovative living spaces, working, playing and entertainment spaces.

With the skills and experiences in the industry, cooperating with many customers both domestic and international, we understand the requirements and wishes of our customers when using our services and products.

Luxzen is confident to confirm the brand and is proud to be a reliable partner of partners, customers in domestic and international.

We are confident that the outstanding power of Luxzen is our team of architects, experienced and dynamic engineers, modern machinery and technology, the financial capability will bring satisfaction to all customers.

Therefore, our thoughts are best served, meet and satisfy the needs of customers and we are committed to always striving to make that notion.

We are looking forward to the cooperation and support of customers.

Best regards,

WHY CHOOSE US

Contact Us

Why Choose us

Luxzen is a company design, planning and turnkey construction of fashion shops, offices, bars, restaurants and other retail in Viet Nam.

We believe in cooperation with our customers and their own success has driven us.

Luxzen with key personnel with expertise and experience in the field of construction materials, design and construction of high-grade furniture. Luxzen has been becoming the prestigious interior construction contractor to be known to the market.

Factory

Located right at the Tan Hoi Industrial cluster, Dan Phuong, which has abundant wood material, diversity of samples, types as well as the origin of porcelain. Diverse and rich partners. Skilled technicians with high expertise. The factory size of more than 1000m², can meet all requirements of customers.

Machines and Equipment

Technological and machine factors are important in the production and construction of interior works. Luxzen has invested fully in modern machinery equipment. Look forward to meeting all the needs from simple to complex of every order.

Human Resources

The team is young, creative, enthusiastic and passionate about the profession. Specially trained design Team and have practical experience in implementing large works of high quality customers such as: Vingroup, Flc Group, The Grand – Ho Tram Strip, Laguna, Adidas, Nike, Puma, Titleist, FJ, Apm, Honma, Geox, Furla, Under Amout, Skechers...

Customer Management and Care

Getting customers is the center so we are very aware of the importance of customer care and warranty, maintenance of the construction after construction, installation. Application of CRM software into the management and care of customer systems is important for the leadership team of Luxzen.

Therefore, all construction and installation is done by Luxzen's staff and periodically check the following. Repair, process immediately, if errors arise, avoid affecting the activities of customers.

Commitments

We are committed to always ensure the quality of materials in accordance with the signed contract.

Commitment to quality assurance and aesthetics. Especially ensure the progress of the construction is absolutely correct.

Warranty and Maintenance: After receiving information from customers, Luxzen will offer a maintenance warranty of only 04 hours.

OUR CULTURE

Contact Us

At Luxzen, we always:

Brings surprises

We strive to bring surprises to our customers, colleagues, suppliers and partners through our products, services and experiences.

Seize the opportunity and change

As a growing company, we must proactively take the opportunity, constantly change and keep ourselves in this state. We never accept or easily be satisfied with our work.

Create interesting

We do not want to be a boring company. We want to be able to smile at ourselves. We look for interesting things and humor in our daily work, to make this life more interesting and fun for everyone. We want our company to be unique and unforgettable.

Adventurous and creative

We want all of our employees to be fearless of risks and not afraid of making mistakes. We want people to be courageous and proactive in making decisions at work. We encourage employees to make mistakes so they can learn from them, because we consider mistakes as opportunities to learn. We never satisfy ourselves and accept the present. We are always looking for adventure and enjoy exploring new things. We encourage our employees to be creative when looking for solutions. By taking risks and creative freedom, we make our products, services and experiences unique.

Constantly learning and perfecting yourself

At Luxzen, we always keep in mind that creating conditions for our employees to improve themselves and improve their professional qualifications is very important. We believe that every employee has potential that they themselves do not realize. Our goal is to help them discover those potentials. We try our best to “improve” and then try again when we realize everything has changed. We are eager to learn, adapt and find new things to help the company grow and with that process, we also develop ourselves. We always work hard and never “satisfy with success”.

Build open and sincere relationships

We believe that openness and sincerity can create the best relationships. We create healthy relationships with everyone: leaders, subordinates, customers, suppliers, business partners, team members and colleagues. At Luxzen, the more relationships there are, the more people have a positive influence on the company and the more it appreciates it.

Build a healthy family and team spirit

We want to create a friendly, warm and enjoyable environment. We encourage diverse ideas, perspectives and perspectives. We believe that excellent teams not only work together but also interact very well outside the workplace. We are not just a team to work with, we are a family. We care about each other, take care of each other and strive together. We work and have fun together.

Work efficiently and responsibly

At Luxzen, people always try to work effectively and responsibly. We are very comfortable with daily contact but we are very focused and serious at work. We work hard and always strive to get things done. We need to continue to be creative and constantly improving, always trying to make ourselves more efficient, always trying to find a better way.

Passion and determination

Passion is the fuel to move us and the company forward. We appreciate passion, determination, perseverance and urgency. We are inspired by our belief in what we are doing and what we aim for. At Luxzen, passion and determination go hand in hand. We always have a positive and optimistic attitude about everything we do.

Modest

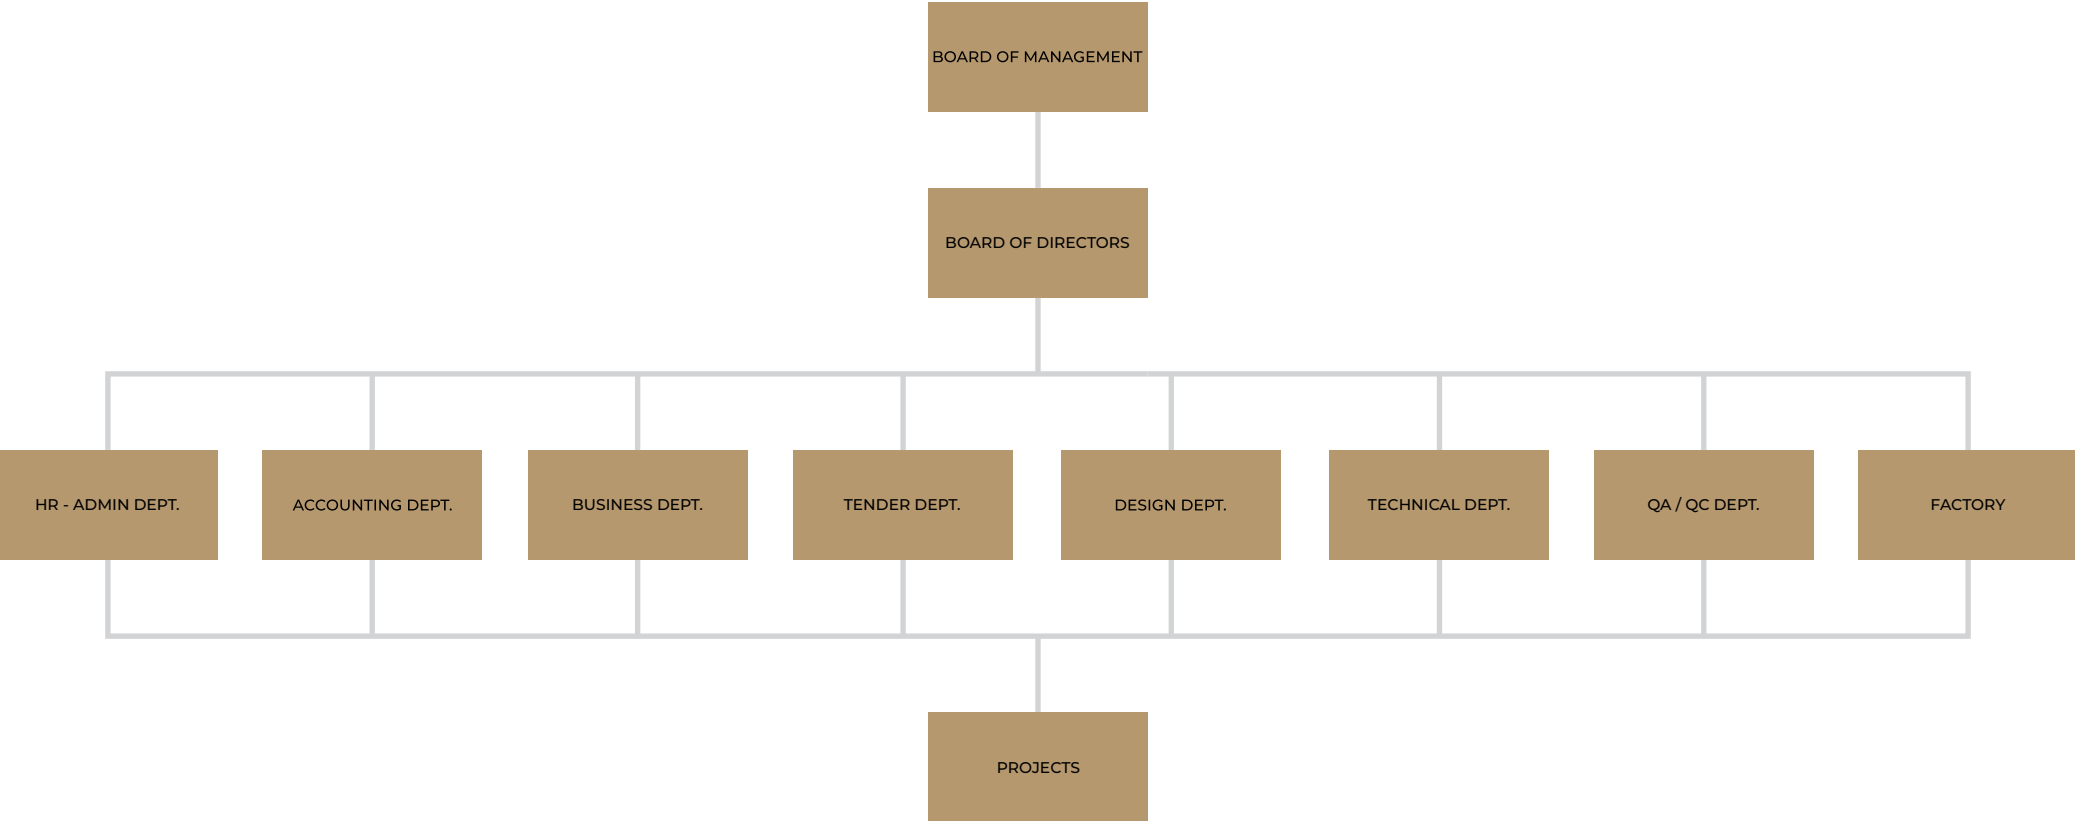

We believe that no matter what happens, we must always respect everyone. We are always humble and treat people the way we want them to treat us.
